

There are no regulations allowing reciprocal licensing. This is especially problematic because to obtain a Mississippi license, one has to first obtain a Mississippi license to conduct funeral services.

Eye Enucleator License: An applicant for certification shall submit to the Department, verified by oath, written evidence in form and content satisfactory to the Department that the applicant:

15 Code Miss. R. Pt. 19, Subpt. 60, R. 4.4.1

1. Is licensed for the practice of funeral services as defined in Section 1-3 (F) of these rules and regulations.

2. Has successfully completed a course, approved by the Department, in eye enucleation.
